

**SATURDAY, JUNE 4, 2016
9AM – 12PM**

DESCRIPTION

The National Museum of Toys and Miniatures's *Pedal to the Metal: Pedal Car Race* is a community event held on Saturday, June 4 from 9:00 am to 12:00 pm. There will be ten races with six children participating in each race. Pedal cars and helmets will be provided for the race.

AGE AND SIZE

Due to the size of commercially available pedal cars, participants must be between 3 and 5 years of age and weigh no more than 66 lbs. The museum cannot guarantee that all children within this age and weight will be able to fit inside the available pedal cars. Parents are encouraged to bring their children during the practice part of the race to make sure that they are able to comfortably navigate the pedal car. If they are not able to fit, the race fee will be refunded.

ABILITY

Participants must be able to operate a pedal car, which includes pedaling with both feet and steering. Children who are able to operate a tricycle should be able to operate a pedal car. Registration and pedal car practice will occur an hour before the race. Race activities require physical exertion and are inherently dangerous.

SPORTSMANSHIP

The race has been designed as a community event and all participants, as well as their chaperones, are expected to exhibit kindness and good sportsmanship during the event. Race participants and chaperones must abide by all instructions of race personnel.

SAFETY

For safety, children must wear closed-toe shoes like tennis shoes. Participants who do not wear closed-toe shoes will not be able to participate. *One-size fits most* children's helmets will be provided. If possible, participants are encouraged to bring their own helmet to ensure proper fit. Children must be accompanied by an adult on the day of the race.

PRIZES

All participants will receive a race t-shirt to be worn during the race, a goody bag, and two free admissions to the museum on the day of the race. Those who win their pedal car race will be entered into a drawing to win one of the pedal cars used in the race. There is a one in six chance of winning!

REGISTRATION

There are sixty spots for races and applications will be taken on a first come, first serve basis. The registration fee of \$25 must be submitted before the application is complete. The fee can be paid at toyandminiaturemuseum.org/donate. Confirmations will be sent out no later than May 23, 2016. If your application is confirmed, you will receive additional information. If we are not able to accept your

application, we will place you on the wait list in case of cancellations and we will return or refund your application fee if there are insufficient cancellations to enable entry into the race. Cancellations must be submitted by May 30, 2016 to receive a full refund. All decisions of the race personnel shall be final including, without limitation, decisions regarding registration/race acceptance, rejection and ejection and refunds.
