

Making a No-sew Sock Owl

Activity for ages 6+. Adult supervision recommended.

Step 1:

Use **scissors** to cut **sock** right below the heel.

Step 2:

Use **polyester fiber fill** or **cotton balls** to stuff the sock with 1 inch remaining at the top.

Step 3:

Cut eyes and beak from **felt** (buttons optional). Use **tacky glue** to secure everything 1 inch below the top.

Step 4:

Fold the front half of the sock opening back and pull the back half forward in the middle. Secure with tacky glue. Tuck owl ears in and close with tacky glue.

Step 5:

Use felt to make feet and wings and attach with tacky glue.
