

Finish the Picture | Glass Miniatures

Activity for ages 6+. Adult supervision recommended.

Compare this full-sized goblet to the fine-scale miniatures made by artist Francis D. Whittemore, Jr.! Whittemore created delicate miniature hand-blown glass pieces in bright colors, using tools he made himself. T/m has over 308 pieces of his work in our collection.

Can you complete the picture of the full-sized goblet by drawing the missing right half?

Now try drawing the missing half of the miniature goblet!

Which drawing did you find easier to do?
Why?

What skills do you think an artist needs to have in order to make miniatures?

Would you like to be a fine-scale miniature artist? Why or why not?
