

Hand-drawn architectural plan of a cabinet or wardrobe. The plan shows a central section with three drawers, each with a fan-shaped handle. To the left of these drawers is a 3x3 grid of nine smaller drawers, each with a small handle. The top and bottom sections of the cabinet are solid panels, each with a decorative handle. On the right side, there is a decorative arched structure with a central finial. Dashed lines indicate the layout of the drawers and panels.
