

# Making Paper Tube Construction Toys

*Activity for ages 6+. Adult supervision recommended.*

## Step 1:

Use **scissors** to cut **toilet paper** and **paper towel tubes** to various lengths as desired.

## Step 2:

Decorate your tubes with **markers** or **paint**.

## Step 3:

On each tube, cut four 1/2 inch slits around the top, and four 1/2 inch slits around the bottom (spaced in between the top slits).

## Step 4:

Use slits to interlock the tube pieces as you build your imaginative creations!
