

Making a Dollhouse Bed

Activity for ages 6+. Adult supervision recommended.

Use **crayons or markers** to color the doll bed, quilt, and pillow. Next, use **scissors** to cut out all pieces, then fold the 3D box and secure with **tape**. Finally, use **school glue** to glue the box ends to the headboard and footboard, and the quilt and pillow to the bed. Optional: For more durability, print on cardstock or glue pieces to a light cardboard such as a greeting card.

Cut along the solid lines and fold on the dashed lines.
