

## Story Strip 1

## Story Strip 2

1. Use **scissors** to cut out the cover around the dotted lines. Fold along the two solid lines to create the front and back covers and the book spine.
2. Cut out story strips 1 and 2 around the dotted lines.
3. Fold the colorful page over the title page and continue accordion-folding story strip 1 on the solid lines.
4. **Glue** the back of page 6 to the back of page 7.
5. Continue accordion-folding story strip 2 on the solid lines.
6. Glue the backs of the colorful pages to the insides of the cover.
7. Use your mini book to tell the story of Journey A. Goodmouse's adventures in The National Museum of Toys and Miniatures!
